

Entry Level Tennis in Mississippi offers “Everyone” a fun time while learning the sport of a lifetime.

Dear Friends and Colleagues,

I am humbled, honored and privileged to assume the role of President of the Mississippi Tennis Association. It was a mentor and now a good friend who introduced me to tennis at a local public park in Jackson (Dorothy Vest Tennis Center) where I found my love for the game. I have been involved in all levels of the game either as a junior player, high school player, college player and adult league. The one thing that I learned from each was to give back what I learned to help someone else obtain their goals, which made the team stronger overall. It has led me to continue to volunteer and teach our young players not just tennis but also to provide the discipline and tools to succeed.

The year 2021 will be a time for all of us to come together as a whole to inspire our players from all levels, proving that tennis is not only safe to play but also one of the best sports to help maintain your health. Please continue to participate and share our website as well as the programs and grants offered through MTA.

• Ready to Rally • Tennis Apprentice • Tennis on Campus Grant • Facility Grants • Diversity Grants • Wheelchair Tennis Grants • Tennis Foundation of Mississippi Player Grant • Junior Team Tennis • NJTL (National Junior Tennis & Learning) Southern Grant

I can't commend my predecessor, Jeffrey Farris, enough for his leadership and guidance as President of MTA over the past two years. Jeffrey has always been there to represent and support the players within the MTA as well as advocate for recruiting passionate volunteers to serve on various committees throughout the state. I would also like to thank Geoff Norton, Executive Director, and the MTA staff for their extraordinary work during the 2020 pandemic as they worked remotely and didn't miss a beat throughout the year.

We have weathered the storm and will continue but we cannot do it without volunteers, who many of them are our players. Volunteering keeps the MTA strong and continues to grow our game. I found volunteering as a way to give back allowing me to teach the game at our public parks and schools which led to several athletic and educational scholarships to those young players. Please consider volunteering, you can make a difference. This year we honor Rod Hartzog and William Clark who were inducted into the Tennis Foundation of Mississippi Hall of Fame. Both have long been associated with the game and have paved the way for many others in Mississippi tennis.

This is your association, and the purpose is to promote and grow the game of tennis for you, whether you are an adult player, junior player, parent, tennis professional, member tennis organization, or just a follower of the game. For players, your age or level of play does not matter.

I invite you to visit MSTennis.com for updated information. Purchase a Mississippi Tennis license plate to show your pride in Mississippi Tennis. All proceeds from our car tag program helps fund our Community Grant Program to improve tennis facilities across the state. Follow us on our social media platforms Facebook (USTA Mississippi), Twitter (@USTAMississippi), and Instagram (USTAMississippi)! Share your positive Mississippi Tennis photos or stories on social media by using the hashtag #PlayTennisMS. In closing, please feel free to call on me anytime. I am here to serve you.

Thank you for your involvement in tennis! Jimmie Coins President – Mississippi Tennis Association

Junior Team Tennis – ARE YOU IN?

How does it work?

USTA Junior Team Tennis is one of the fastest growing team sports in the country, and allows kids ages 5-18 to form teams with anywhere from 8 to 16 of their friends at the Beginner, Intermediate, or Advanced levels. Those that advance out of local play have an opportunity to progress to State, Sectional, and National Championship events. Leagues have the option to use multiple different formats that are a fit with their community, and scoring can be done in a unique way as well. Teams that win the most total games in the entire team match are named the match winner, so remember, in Junior Team Tennis,

EVERY GAME COUNTS.

2020 Jr Team Tennis Highlights

USTA Jr Team Tennis offers two seasons of Championship play. The Spring and Summer JTT Leagues all across the country play a coed format that includes Boys and Girls singles, Boys and Girls doubles, and a Mixed Doubles match in each team match. Those leagues advance beyond State to Sectional and National Championship play. In the Fall JTT League, boys and girls teams are separate, and team matches consist of 4 singles matches and 2 doubles matches.

Due to Covid, State, Sectional, and National Championships were not held in 2020, but Mississippi opted to host smaller Regional Championships instead to provide teams with an opportunity to advance to a championship.

BE A VOLUNTEER FOR TENNIS IN YOUR COMMUNITY

A Community Tennis Association is local version of the USTA that serves to promote and develop the growth of tennis in a designated area. CTA's increase awareness of tennis in the area, host promotional events, provides programs, and raise money to put back into the tennis community. If you have an interest in giving back to the sport, or would just like to get plugged in to playing tennis in a particular community, contact one of the CTA contacts listed on this page! NJTL, which stands for National Junior Tennis & Learning, is a network of organizations across the country that was started by Arthur Ashe in 1969. The primary functions of the organizations are to deliver tennis, education, life skills, and mentoring components to under resourced youth. Mississippi has a strong network of NJTL's across the state that have been serving our youth for several years. For more information about NJTL's, visit www.ustafoundation.com/NJTL/

MISSISSIPPI TENNIS ASSOCIATION SCHOLARSHIP RECIPIENTS

The Mississippi Tennis Association is proud to announce that the recipients of the 2020 educational scholarships were Hannah Ashley of Greenville and John Martin Fox of Brandon. Now in its twentieth year, the program awards scholarships each year to a deserving young man and woman based on their accomplishments in the classroom, on the tennis court, and in the community.

Hannah is a graduating senior of Washington School in Greenville. She has achieved a GPA of 4.32 throughout her high school educational career. She has been very busy serving as a cheerleader, track team member and of course a member of the tennis team 8-12th grade. She served as a student council officer throughout high school, Rho Kappa president during her senior year, Key Club, SADD, Mu Alpha Theta, Fellowship of Christian Students and many others accomplishments. She has volunteered for many years assisting with the Ole Miss/State tennis tournament held in Greenville as well as the Delta Cotton Belles tournament. Having turned 18 this year, she was planning to play in her first Ole Miss/State tournament previous to the Covid 19 situation cancelling the event. She has a dream to work with children and will be pursuing this in her collegiate educational career. She has had an opportunity to serve as a tutor to elementary students and considered this a great honor to be approached by the parents of children she would babysit for. This experience solidified her wanting to pursue this in her higher education. It was a very rewarding experience to witness the children's improvement in their grades. She has approached tennis with a willingness to learn, also realizing during her career that this is a very mental game. Coming from a junior varsity start and meeting the challenges of being an athlete, it took some time to move forward through challenge matches, eventually making it to the varsity squad. Diving into some consistent practice routines, she understood what it was going to take to improve her skills. With the season being cancelled due to the pandemic, she did go out with one of her hardest fought victories in also one of her longest matches of her career. She plans to take the lessons from her tennis career and begin her collegiate experience attending Delta State University in the fall of 2020.

John Martin Fox of Brandon has achieved a 4.0 GPA throughout his high school career while being a National Merit Finalist (class of 2020), Phi Theta Kappa through Hinds Community College, Gold Medal Latin Exam three times running, a three year National Junior Classical League member, Mu Eta Sigma National Math Honor Society and adding to his tennis time, a Bach Festival piano competition superior ranking from 2012-2015. Achieving the Eagle Scout within his activities he has also been ranked the number 1 in the Mississippi state tennis rankings. Being introduced to tennis at an early age by his mother he continued to take lessons and joined the team competition of high school tennis as early as 6th grade. He dove into USTA sanctioned tournaments as a teen with some strong results throughout his career. He has qualified for Southern's Closed reaching a third place finish at the Mississippi Endorsement tournament in 2019. He played USTA junior tennis for several years and held the rank of #1 in the Mississippi 16's division and #2 in the 18's division, while compiling a record of 99 match wins and 46 losses. He quotes tennis as being his favorite activity throughout his high school career even getting involved in teaching younger kids during the summer. He has taken away the discipline, hard work, mental toughness learned through tennis but most important are the friendships made throughout his tennis career. He will be attending Mississippi State University as a Presidential Scholar and a member of the honors college where he will major in accounting and history.

TENNIS FOUNDATION OF MISSISSIPPI OFFICERS & DIRECTORS

JEFFREY FARRIS, PRESIDENT
JIMMIE COINS, VICE PRESIDENT
ARNOLD LUCIANO, SECRETARY
ANITA STAMPS, TREASURER

3 YEAR TERM	2 YEAR TERM	1 YEAR TERM
TBA	Arnold Luciano	Sarah Buffington
	Anita Stamps	Leigh Taylor
	Jonna Farr	Ken Causey

The Tennis Foundation of Mississippi is pleased to announce that William G. Clark (Billy Gip) of Columbus & Rodney (Rod) Mills Hartzog (posthumously) are the 2020 inductees into the Tennis Foundation of Mississippi Hall of Fame. The inductees into the Tennis Hall of Fame have long been associated with tennis in the state and through their play, support, and generosity have left an unmistakable imprint on Mississippi tennis.

Rod Hartzog spent a lifetime in tennis. Rod graduated from Meridian High School in 1969 being awarded a tennis scholarship to attend Ole Miss where he started as a freshman. He was a lifetime member of USTA as well as a PTR certified teaching professional his entire teaching career. Rod was the SEC youngest men’s tennis team coach at Mississippi State University at the age of 24 in 1975-76. He pursued further experience in his tennis teaching career reaching out to international opportunities. Those opportunities gave him experience teaching with the legendary Harry Hopman in Florida and Italy. He spent time in Asia and West Germany before returning to Meridian where he served as the Director of Tennis at Northwood Country Club from 1983-2003. He spent many years at facilities throughout the Delta area of Mississippi serving as the Director of Tennis for the Greenwood Country Club, Indianola Country Club, and Lake Village. Willis Frazer, a longtime friend, said “Rod was a beloved friend by all those fortunate enough to know him”. He was full of life with a distinctive, infectious laugh. Previous to his passing, he was hired by the University for Women in Columbus Mississippi as they were preparing to bring not only the Women’s Tennis program back but add a Men’s program. He passed away in August of 2018.

William (Billy Gip) Clark is one of those tennis enthusiasts that drives his enthusiasm as a player, parent, and coach. Easily added to his impressive resume is officiating and volunteerism. There are countless stories of a quality tennis parent from those that competed against the Clark family but also as he moved his career to coaching. He was the Heritage Academy high school tennis coach for 15 years and produced 5 state championships during that time. His teaching and tennis program directing career took him from Greenwood to Cleveland Country Club and he is now serving as the Director of Tennis at Magnolia Tennis Club in Columbus. He has produced 7 state adult league championship teams while introducing tennis to youth and adults alike. He has been an avid USTA official currently serving as the chairman for the USTA Mississippi Officials Committee. He will travel from city to city when tournament directors call him in for his referee experience. Fellow officials have appreciated his mentoring as he has been instrumental in recruiting new officials. He has also shared his experience serving as a Mississippi Tennis Association Board member. Known for being an exemplary family man, he continues to advocate for all to become the tennis enthusiast he has demonstrated to be.

Mr. Hartzog and Mr. Clark will be inducted into the Mississippi Tennis Hall of Fame at a banquet to be held in their honor at the Country Club of Jackson on Saturday, January 8, 2022. Due to the pandemic, the Hall of Fame banquet January 9th of 2021 will not be held. For future ticket information, call the MTA office at 601-981-4421 or 1-800-349-1683.
